Housing Solution events at Maidenhead

We were delighted to attend **Coffee and Advice** events at sheltered housing locations and present to the residents of five Maidenhead housing schemes.

We met some lovely people and provided them with important information that could save them hundreds on their energy bills.

CMA report proposes remedies to fix the energy market

The Competition and Markets Authority (CMA) launched an investigation into the UK's energy market in July 2014. Giving the time frame of 18 months, the CMA set out to find prevalent issues and remedies to allow the energy market to work better for consumers. [Find out more ►](#)

More about our Community Events team

Our **energy expert** is ready to support your community events or provide energy training sessions.

Whether you want a **speaker to present** at a community get together or event, an energy advice stall in your community hall, or an energy training session for your advisors, we can help.

We can also provide leaflets and other literature to your organisation.

Email Nofar Gal-Shlezinger, uSwitch Community Events Officer at nofar.gal-shlezinger@uswitch.com or phone her on 020 3021 5899 – she'll let you know how uSwitch can support your event.

Ready to book in your event?

Email [Nofar](#) today or phone her on 020 3021 5899.
